Finger Poppin Time

The Midnighters

Hey now, hey now, hey now, hey now
It's finger pop poppin' time
Finger poppin', poppin' time
I feel so good and that's a real good signHere comes May and here comes Sue
Here come Johnny and Bobby too
It's finger pop poppin' time
I feel so good and that's a real good signHere comes May and here comes Sue
Here come Johnny and Bobby too
It's finger pop poppin' time
I feel so good and that's a real good signHey now, hey now, hey now, hey now
It's finger pop poppin' time
Finger poppin', poppin' time
I feel so good and that's a real good sign
