Hippy

Jitiizer

I don't wanna be what you wanna be
I just wanna be what's right for me
I don't wanna see who you wanna see
Because your friends are no good for me
You say that love is an open door
I see you walking out but I hear you taking more
Now you wanna kick it 'cause you dropped it on the floor
I don't wanna go where you wanna go
'Cause when you go, you move too slow
I just wanna see what I wanna be
And now it seems that I wanna be free
You say that love is an open door
I see you walking out but I hear you taking more
And now you wanna kick it 'cause you dropped it on the floor
Dropped it on the floor
I'm hearing what you're saying but I don't know what you're doing
And I need some things explaining
'Cause you're evil and you're using
This giving and mistaking, this reality you're faking
Can you justify the feeling and the pain that you are making
You say that love is an open door
I see you walking out but I hear you taking more
And now you wanna kick it 'cause you dropped it on the floor
