

# I Just Wanna Stop

## Gino Vannelli & The Metropole Orchestra

For your love  
For your love When I think about those nights in Montreal  
I get the sweetest thoughts of you and me  
Memories of love above the city lights  
Ooh... I've tried so hard to take it  
But alone my heart won't make it I just wanna stop  
And tell you what I feel about you babe  
I... just wanna stop  
I never wanna live without you babe  
I... just gotta stop  
For your love...  
Oh-oh-oh...  
(for your love)  
For your love  
(for your l-o-v-e...) When I think about the way the world must turn  
(the world must turn)  
I get the saddest thoughts for you and me (you and me)  
Memories of life from times go on and on  
Ooh... I try hard to forget it  
But alone my mind won't let it  
I just wanna stop And tell you what I feel about you babe  
I... just wanna stop  
The world ain't right without you babe  
I... just gotta stop  
For your love...  
Ooh... I try so hard to take it  
But I know my heart won't make it  
I... just wanna stop  
And tell you what I feel about you babe  
I... just wanna stop  
The world ain't right without you babe  
I... just wanna stop  
For your love... (stop)  
(hoo-hoo-hoo...)  
I... just wanna stop  
(hoo-hoo-hoo...)  
I... just wanna stop  
And tell you (hoo-hoo-hoo...) what I feel about you babe  
I... just wanna stop

The world (hoo-hoo-hoo...) ain't right without you babe

I... just wanna stop

(hoo-hoo-hoo...)

I... just wanna stop
