

Your Generation

Billy Idol & Generation X

Trying to forget your generation
You know all the ways when in what I see
The ends must justify the means
Your generation don't mean a thing to me
I say your generation don't mean a thing to me
I say your generation don't mean a thing to me Might take a bit of violence
But violence ain't our only stance
Might make our friends enemies
But we gotta take that chance
There ain't no time for substitutes
There ain't no time for idle threats
Actions are rather hard to place
Cause what you give is what you get
So that's your generation
It's your generation
Well it's your generation
It's your generation[Guitar Solo]Trying to forget your generation
You know all the ways when in what I see
The ends must justify the means
Your generation don't mean a thing to me
I say your generation don't mean a thing to me
I say your generation don't mean a thing to me Might take a bit of violence
But violence ain't our only stance
Might make our friends enemies
But we gotta take that chance
There ain't no time for substitutes
There ain't no time for idle threats
Actions are rather hard to place
Cause what you give is what you get
So that's your generation
It's your generation
Well it's your generation
It's your generationTo the end
Justify the means
To the end
Justify the means
To the end
Justify the means
To the end

Justify the means
It time for generation
