

# Mass Hypnosis

## Children of Bodom

Looking inside, your future uncertain  
The fear grows as a sickness uncured  
The silence ggonizes, the word sound strong  
Look inside he eyes, leave this worldHate through the arteries  
Mass hypnosisUncertain of being back  
They make you feel so good  
Everything's darkened  
Obey like a foolHate through the arteries  
Mass hypnosisSoldiers going nowhere  
Believers kneeling over their sins  
Inhuman instinct of cowardly leaders  
Make the world go their own wayTens of thousands hypnotized  
Trying to find a reason why  
Look inside your empty eyes  
Obey 'til the end
