

# Fuck L.P.

## Burning Heads

Fuck L.P., Fuck L.P.  
I wanna smash that guy  
Fuck L.P., Fuck L.P.  
I wanna see him dead  
My only way to stay safe is to never tell your name  
So fuck L.P. fuck him  
I wanna stab that clown  
Fuck L.P., Fuck L.P.  
For what he's said and done  
My only way to stay safe is to never tell your name So fuck L.P. fuck L.P.
