Please Forgive Me

Ali Amiri

It still feels like our first night together
Feels like the first kiss
It's getting better baby
No one can better this
Still holding on
You're still the one
First time our eyes met
Same feeling I get
Only feels much stronger
I wanna love you longer
Do you still turn the fire on?So if you're feeling lonely, don't
You're the only one I'll ever want
I only want to make it go
So if I love you a little more than I should
Please forgive me, I know not what I do
Please forgive me, I can't stop loving you
Don't deny me, this pain I'm going through
Please forgive me, if I need you like I do
Please believe me (Oh believe it), every word I say is true
Please forgive me, I can't stop loving youStill feels like our best times are together
Feels like the first touch
Still getting closer baby
Can't get closer enough
Still holding on
You're still number one
I remember the smell of your skin
I remember everything
I remember all the moves
I remember you yeah
I remember the nights, you know I still doSo if you're feeling lonely, don't
You're the only one I'll ever want
I only want to make it go
So if I love you a little more than I should
Please forgive me, I know not what I do
Please forgive me, I can't stop loving you
Don't deny me, this pain I'm going through
Please forgive me, if I need you like I do
Please believe me (Oh believe it), every word I say is true
Please forgive me, I can't stop loving youThe one thing I'm sure of

Is the way we make love
The one thing I depend on
Is for us to stay strong
With every word and every breath I'm praying
That's why I'm sayingPlease forgive me, I know not what I do
Please forgive me, I can't stop loving you
Don't deny me, this pain I'm going through
Please forgive me, if I need you like I do
Babe believe it, every word I say is true
Please forgive me, if I can't stop loving you
No, believe, I don't know what I do
Please forgive me, I can't stop loving you
I can't stop loving you
