Moody

Tricky

Its my world
Its my worldRunning, breathing, deceiving
Take and make what you breath in
Know me, show me, hardly
No you cant A and R meI pretend I dont exist, I close my eyes and wish
Taste like liquorice and sound so devilish
Slide across the floor, move a little more
Take a sip and pour, Ive heard it all beforeIts my world, gonna take it now
Make it now, make it shout
All this green gonna make me mean
Make me dream, make me skimIts my world, gonna take it now
Make it now, make it shout
All this green gonna make me mean
Make me dream, make me skimThey say where have you been
What you're leaving in
Clean craw far I could even more
(I'm feeling)
I should have to seesaw
(Kill)(I offer a 3, 4)
I crawl across the floor
(So you live more)
In the day mix
(So you live more)
They play cheap tricksI pretend I dont exist
I close my eyes and wish
My thoughts are devilish
My thoughts are just a wishIts my world, gonna take it now
Make it now, make it shout
All this green gonna make me mean
Make me dream make me skimIts my world, gonna take it now
Make it now, make it shout
All this green gonna make me mean
Make me dream make me skimIts funny how you feel
The eyes in your head
The brain and spine
Releases fluid when youre deadThen you start to shed
Turning to something else instead
Something else was said
Someone elses sunset was redIts my world, gonna take it now

Make it now, make it shout
All this green gonna make me mean
Make me dream make me skimIts my world, gonna take it now
Make it now, make it shout
All this green gonna make me mean
Make me dream, make me skimIts my world
Its my world
