

# She's Gone

## The Bird And The Bee

Everybody's high on consolation  
Everybody's trying to tell me what is right for me, yeah  
I need a drink and a quick decision  
Now it's up to me, ooh, what will be  
She's gone, she's gone  
Oh I, oh I, I better learn how to face it  
She's gone, she's gone  
Oh I, oh I, I'd pay the devil to replace her  
She's gone, she's gone  
Oh why, what went wrong?  
Get up in the morning, look in the mirror  
I'm worn as a toothbrush hanging in the stand, yeah  
My face ain't looking any younger  
Now I can see love's taken a toll on me  
She's gone, she's gone  
Oh I, oh I, I better learn how to face it  
She's gone, she's gone  
Oh I, oh I, I'd pay the devil to replace her  
She's gone, she's gone  
Oh why, what went wrong? Oh, oh  
Think I'll spend eternity in the city  
Let the carbon and monoxide choke my thoughts away, yeah  
Pretty bodies help dissolve the memories  
They can never be what she was to me  
She's gone, she's gone  
Oh I, oh I, I better learn how to face it  
She's gone, she's gone  
Oh I, oh I, I'd pay the devil to replace her  
She's gone, she's gone  
Oh why, what went wrong? Oh, oh  
She's gone  
I, I better learn how to face it  
She's gone, she's gone  
Oh I, oh I
