

Believe in Me

Samantha Mumba

Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby
Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby I thought I knew you right from the start
Baby, I gave my heart but now I don't know anymore
My love for you has been there all the time
Constantly is this the way it should be I'm still here, where are you?
Are your feelings true?
Is it time to let go?
Babe, I need to know Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby
Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby This baby, diva won't lose no sleep, won't queue in line
Now you're only wasting my time
'Cause I'm not ready to fight for this
And stand by you if you don't stand by me too I'm still here, where are you?
Are your feelings true?
Is it time to let go?
Babe, I need to know Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby
Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby
Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby Don't you save me for your rainy days, baby
Ooh, ooh, ooh you gotta believe in me Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby
Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby
Don't you save me for your rainy days
You gotta believe in me, you gotta believe in me, baby Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh
