Decide

L.A. Guns

Someday, somewhere
This life's never ending
Never thought you were pretending
Your dreams have died
Your hands are tied
The love you had
Is coming back for the last time
Day or night
Night into day
We've found the answer
But it slips away
Decide
Decide
Yeah
Anyone can see
That this is the end of
All of the love you once abandoned
Your dreams have died
Your hands are tied
The love you had
Is coming back for the last time
Daylight
Starting to fade
Tomorrow's coming
But we want today
Decide
Decide
It's your lovin' for the last ride
Decide
Be free
What you like is what you can't see
Just a little love
Just a little love
