

# Decide

## L.A. Guns

Someday, somewhere  
This life's never ending  
Never thought you were pretending  
Your dreams have died  
Your hands are tied  
The love you had  
Is coming back for the last time  
Day or night  
Night into day  
We've found the answer  
But it slips away  
Decide  
Decide  
Yeah  
Anyone can see  
That this is the end of  
All of the love you once abandoned  
Your dreams have died  
Your hands are tied  
The love you had  
Is coming back for the last time  
Daylight  
Starting to fade  
Tomorrow's coming  
But we want today  
Decide  
Decide  
It's your lovin' for the last ride  
Decide  
Be free  
What you like is what you can't see  
Just a little love  
Just a little love
