

# Irresistible

## Fall Out Boy

Count me in unannounced, drag my nails on the tile  
I just follow your scent  
You can't just follow my smile  
All of your flaws are aligned with this mood of mine  
Cutting me to the bone  
Nothing left to leave behind  
You ought to keep me concealed just like I was a weapon  
I didn't come for a fight but I will fight till the end  
This might be your battle, might not turn out okay  
You know you look so Seattle, but you feel so LA Eh eh eh eh eh  
Eh eh eh eh eh  
Eh eh eh eh eh  
Eh eh eh eh eh And I love the way you hurt me  
It's irresistible, oh oh oh oh oh oh yeah  
Oh oh oh oh oh oh yeah  
I love the way  
I love the way  
I love the way you hurt me baby  
I love the way  
I love the way  
I love the way you hurt me baby I'm gonna get you to burst just like you were a bubble  
Frame me up on your walls, to keep me out of trouble  
Like a moth getting trapped in the light by fixation  
Truly free, love it baby, I'm talking no inflation Too many war wounds and not enough wars  
Too few rounds in the ring and not enough settled scores  
Too many sharks and not enough blood in the waves  
You know I give my lover a four letter nameÂ Eh eh eh eh eh  
Eh eh eh eh eh  
Eh eh eh eh eh  
Eh eh eh eh eh And I love the way you hurt meÂ  
It's irresistible, oh oh oh oh oh oh yeah  
Oh oh oh oh oh oh yeah  
I love the way  
I love the way  
I love the way you hurt me baby  
I love the way  
I love the way  
I love the way you hurt me baby You're second hand smokeÂ  
You're second hand smokeÂ

I breath you in, but honey I don't know  
What you're doing to me  
Mon Cheri, but the truth catches up with us eventually  
Tryna say live, live and let live  
I'm no good good, admit to thisSecond is yours, mi amour  
I'm coming for you, and I'm making warI still love the way you hurt me,  
It's irresistible, oh oh oh oh oh oh yeah  
Oh oh oh oh oh oh yeah  
I love the way  
I love the way  
I love the way you hurt me baby  
I love the way  
I love the way  
I love the way you hurt me baby
