

Back Of A Car

Big Star

Sittin' in the back of a car
Music so loud can't tell a thing
Thinkin' 'bout what to say
I can't find the lines You know I love you a lot
I just don't know, should I not?
Waitin' for a brighter day
I can't find a way I'll go on and on with you
Like to fall and lie with you
I love you too
Woh woh woh Baby, I'm too afraid
I just don't know if it's okay
Tryin' to get away
From everything Why don't you take me home?
It's gone too far inside this car
I know I'll feel a whole lot more
When I get alone I'll go on and on with you
Like to fall and lie with you
I love you too
Woh woh woh Sittin' in the back of a car
Music so loud can't tell a thing
Thinkin' 'bout what to say
I can't find the lines
