

Running

No Doubt

Run, running all the time
Running to the future
With you right by my side Me, I'm the one you chose
Out of all the people
You wanted me the most And I'm so sorry that I've fallen
Help me up, lets keep on running
Don't let me fall out of love Running, running, as fast as we can
(As fast as we can)
Do you think you'll make it?
(Do you think we'll make it?)
We're running, keep holding my hand
It's so we don't get separated Be, be the one I need
Be the one I trust most
Don't stop inspiring me Sometimes it's hard to keep on running
We work so much to keep it going
Don't make me want to give up Running, running, as fast as we can
(As fast as we can)
I really hope you'll make it
(Do you think we'll make it?)
We're running, keep holding my hand
It's so we don't get separated Running, as fast as we can
(As fast as we can)
I really hope you'll make it
(Do you think we'll make it?)
We're running, keep holding my hand
It's so we don't get separated And the future Running, running, as fast as we can
(As fast as we can)
Do you think you'll make it?
(Do you think we'll make it?)
We're running, keep holding my hand
It's so we don't get separated Running, as fast as we can
(As fast as we can)
I really hope you'll make it
(Do you think we'll make it?)
We're running, running keep holding my hand
It's so we don't get separated
