

Johnny Cash (feat. Scavenger Hunt)

RAC

"Never again," that was what you said
Because you loved a girl and she wrecked your head
Oh, you loved a girl and she left you dead
Cheap wine, watching VHS
Singing Johnny Cash, 'I walk the line'
Oh, Johnny Cash, because you're mine
Bed on the floor but not for sleeping
Stare out the window, cover meRunning through old things
Mixtapes and magazines
Nothing stays the same
The Polaroids and lover boys
Running through old things
Mixtapes and magazines
Nothing stays the same
But young blood, first love
Da-dam, da-dam, da-dam
Da-dam, ta-da-da-da-damWe took the backseat out of your old truck
Stayed up all night to watch the dawn
Oh, we kept your Springsteen records on
Head rush, every time we touched
Promised I would fix your broken parts
So I carved a window to your heart
Told me you loved me so completely
Taste of a memory, bittersweetRunning through old things
Mixtapes and magazines
Nothing stays the same
The Polaroids and lover boys
Running through old things
Mixtapes and magazines
Nothing stays the same
But young blood, first love
Da-dam, da-dam, da-dam
Da-dam, ta-da-da-da-dam
Da-dam, da-dam, da-dam
Da-dam, ta-da-da-da-dam
Da-dam, da-dam, da-dam
Da-dam, ta-da-da-da-dam
Da-dam, da-dam, da-dam
Da-dam, ta-da-da-da-dam
Da-dam, da-dam, da-dam
Da-dam, ta-da-da-da-damSing Johnny cash, 'I walk the line'

Sing Johnny cash because you're mine
Sing Johnny cash, 'I walk the line'
Oh, Johnny cash, because you're mine
Oh, Johnny cash, 'I walk the line'Running through old things
Mixtapes and magazines
Nothing stays the same
The Polaroids and lover boys
Running through old things
Mixtapes and magazines
Nothing stays the same
But young blood, first loveDa-dam, da-dam, da-dam
Da-dam, ta-da-da-da-dam
