Do Me Right

Leela James

Said you want yourself a really woman
Want to hold you down and understand
Oh, is that right, yeah. Is that right, mm
Said your ready to be my man
Maybe even take my hand
Oh, is that right, yeah. Is that right, mm
Said you never leave me all alone
Hurt me and treat me wrong
Tell me your not lyin' cuz I'm tired of cryin'(Chorus)
Oh I'm a good girl, show girl, ride or die woman
Boy you better do me right, yeah
Do me right
Said I'm a good girl, show girl, by your side woman
Boy you better do me right, yeah
Do me rightAnd if I give you all of me
Would you promise to be there for me
Yeah and treat me right, yeah. Treat me right
And never forsake my heart
Even when we're apart
Oh would you treat me right, yeah. Treat me rightSo treat me like you want to be treated
And don't give me nothing less
I deserve the best. Nothing less(Chorus)Help me tell you
You know I'm a real good woman
Ohh, you gotta be a real good man
Ohh, had enough pain in my life
Ohh, you know you gotta treat me right
Ohhh(Chorus x2)
