

Hateful

No Doubt

Kill that drummer Well I've got a friend who's a man
Who's a man?
What man? A man who keeps me from the lonely, the lonely
He gives me what I need
What you need?
What you got? I need it all so badly Anything I want, he gives it to me
Anything I want, he gives it, but not for free
It's hateful, it's hateful
And it's paid for and I'm so grateful to be nowhere This year I've lost some friends
Some friends?
What friends? I don't know, I ain't even noticed
You see, I gotta go out again
Again?
My friend, I gotta go see the madman Oh, anything I want
He gives it to me
Anything I want
He gives it, but not for free
It's hateful, it's hateful and it's paid for
And I'm so grateful to be nowhere Anything I want, he gives it to me
Anything I want, he gives it, but not for free
It's hateful, it's hateful
And it's paid for and I'm so grateful to be nowhere I killed all my nerves
My nerves?
What swerves? I can't drive so steady
Oh, I lost my memory
My mind
Behind I can't see so clearly Oh, anything I want, he gives it to me
Anything I want, he gives it, but not for free
It's not for free
He gives it to me anything I want, he gives it, but not for free
It's not for free He gives it to me
Not for free
He gives it to me not for free, not for free
It's not for free
Not for free, not for free
It's not for free
Not for free
It's not for you, it's for me
