

Hollywood Babylon

Misfits

Who came along for the ride
Hey, you can't come inside
Do the citizens kneel for sex
It's heaven cumming on her chest Hollywood Babylon
Hollywood Babylon Flesh ancient monster design
Unless you want to crop that size
Where did they come from tonight
Who came along for the ride Hollywood Babylon
Hollywood Babylon Who came along for the ride
Hey you, you can't come inside
When do the citizens kneel for sex
It's heaven cummin' on her chest Hollywood Babylon
Hollywood Babylon
Hollywood Babylon
Hollywood Babylon
