

# I'm Making Eyes at You

## Black Kids

So you want my affection  
We both know you'll only throw it away  
But if you must have a go, fine, okay  
If you must have a go then go away I'm making eyes at you  
I've been making these eyes now, making these eyes since '82  
I've been making them green and gray and brown and delta blues  
I'm reciting a mantra but I can't tell you 'cause you're missing to me  
That's all you'll ever be Oh please don't, please don't speak  
You'll kill the mystique, oh baby let's not, let's not dance  
We'll ruin our chances, oh in between the drinks  
I can't help but think that even as we speak  
We kill the mystique You are missing to me and I am missing much  
Your sleepy panda eyes, those dangerous thighs, your dirty touch  
You are the wildest one but you're the one that I want  
I'm making eyes at you, that's all I ever do Oh please don't, please don't speak  
You'll kill the mystique, oh baby let's not, let's not dance  
We'll ruin our chances, oh in between the drinks  
I can't help but think that even as we speak  
We kill the mystique So you want my affection  
We both know you'll only throw it away  
But if you must have a go, fine, okay  
I said, if you must have a go then go away Oh please don't, please don't speak  
You'll kill the mystique, oh baby let's not, let's not dance  
We'll ruin our chances, oh in between the drinks  
I can't help but think that even as we speak  
We kill the mystique
