

# Wasted Days And Wasted Nights

## Freddy Fender

Wasted days and wasted nights  
I have left for you behind  
For you don't belong to me  
Your heart belongs  
To someone elseWhy should I keep loving you  
When I know that you're not true  
And why should I call your name  
When you're the blame  
For making me blue?  
Don't you remember the day  
That you went away  
And left me  
I was so lonely  
Prayed for you only  
My loveWhy should I keep loving you  
When I know that you're not true  
And why should I call you're name  
When you're the blame  
For making me blueDon't you remember the day  
That you went away  
And left me  
I was so lonely  
Prayed for you only  
My love  
Why should I keep loving you  
When I know that you're not true?  
And why should I call your name  
When you're the blame  
For making me blue
