

This Is Living

Elvis Presley

[Chorus]

This is living, full of fun and free
This is living, that's the life for me It's good to laugh and sing, don't worry about a thing
Wear a happy smile, cut loose and run a mile
If you relax and just enjoy it all, life has got to be a ball [Chorus] It wouldn't mean a thing
If I could be a king
I really wouldn't care
To be a millionaire
I'd rather find someone to love a lot
Live and give it all I've got [Chorus] Don't want to settle down
I gotta move around
I gotta lot of time
I'm gonna wait and find
The kinda girl who's heart is restless too
The kind who feels the way I do [Chorus]
