

Make You Mine

Public

Girl, I will call you darling and everything will be ok cuz you know that I am yours and you are mine doesn't matter anyway.

In the night, we'll take a walk, it's nothing funny just to talk.

Put your hand in mine, you know that I want to be with you all the time.

You know that I won't stop until I make you mine, you know that I won't stop until I make you mine, until I make you mine.

Well I have called you darling and I'll say it again, again so kiss me 'til I'm sorry babe that you are gone and I'm a mess and I'll hurt you and you'll hurt me and we'll say things we can't repeat.

Put your hand in mine, you know that I want to be with you all the time.

You know that I won't stop until I make you mine, you know that I won't stop until I make you mine, until I make you mine.

You need to know.

We'll take it slow.

I miss you so.

We'll take it slow.

It's hard to feel you slipping through my fingers are so numb.

And how was I supposed to know that you were not the one?

Put your hand in mine, you know that I want to be with you all the time.

You know that I won't stop until I make you mine, you know that I won't stop until I make you mine, until I make you mine.

Put your hand in mine, you know that I want to be with you all the time.

Oh darling, darling baby you're so very fine.

You know that I won't stop until I make you mine, until I make you.
