Bring It To Me

Chaka Demus

Oh no, there you go again
You're so trying to pretend
I don't know exactly what you
Are thinking about me but you
Don't know that I feel the same
I'm so tired of playin' games
Are you just afraid, I won't be
Feelin' you, but baby, you'll see
I got what you need and more
But you've got to make it yours
I've got what you want for sure
So what are you baby waitin' for?
Baby, I already know that you want me
So what will it take for you to tell me
I'm down for you to be with you
All you've got to say is bring it to me
Why are you procrastinatin'
Leaving me anticipatin'
To be with you, be down for you
All you got to say is bring it to me
So now we're all alone
Got your chance to let me know
No reason to let time go by
Ain't getting no where so if I
Make a move then would you care
Could you handle it from there
If you're ready get your together
'Cuz I ain't ever gonna wait forever
I got what you need and more
But you've got to make it yours
I got what you want for sure
So what are you baby waitin' for?

Baby, I already know that you want me
So what will it take for you to tell me
I'm down for you to be with you
All you've got to say is bring it to me
Why are you procrastinatin'
Leaving me anticipatin'

To be with you, be down for you
All you've got to say is bring it to me
Boy, you got me fantasizing
About the things that we could do
And now my temperature is rising
What's it gonna take to be with you?
I already know that you want me
So what will it take for you to tell me
I'm down for you to be with you
All you've got to say is bring it to me
Why are you procrastinatin'
Leaving me anticipatin'
To be with you, be down for you
All you got to say is bring it to me
I already know that you want me
So what will it take for you to tell me
I'm down for you to be with you
All you've got to say is bring it to me
Why are you procrastinatin'
Leaving me anticipatin'
To be with you, be down for you
All you got to say is bring it to me
I already know that you want me
