

Army of Love

Junior Byles

Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
Love to love to love ya
Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
Love to love to love ya
I put my name on the line for love
'Cause this is what I've been waiting for
I saw it all like a sign above
So follow me, follow me
Tell me baby that you love me
(Love me)
There's nothing higher, higher than me
If love and freedom's all that we need
Then follow me, follow me
Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
Love to love to love ya
Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
Love to love to love ya
I put my name on the line for love
Together we'll break down the walls
This is a different kind of war
So follow me, follow me
Tell me, baby, that you love me
(Love me)
There's nothing higher, higher than me
If love and freedom's all that we need
Then follow me, follow me
Come one, come all
We're building an army, building an army
Come one, come all
We're building an army, an army of love
Say loud

(Uh huh, uh huh, uh huh)
We'd love to love to love ya
 Love to love to love ya
 Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
 Love to love to love ya
 So let's go on, let's go on
 On and on for love
 So let's go on, let's go on
 On and on for love
 (For love)
Tell me, baby, that you love me
 (For love)
There's nothing higher, higher than me
 (For love)
If love and freedom's all that we need
 (For love)
 Then follow me
 (For love)
 Follow me
 Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
 Love to love to love ya
 Say loud
(Uh huh, uh huh, uh huh)
We'd love to love to love ya
 Love to love to love ya
 We'd love to love to love ya
 Love to love to love ya
 We'd love to love to love ya
 Love to love to love ya
