

Your Love Is Driving Me Crazy

[Sammy Hagar](#)

I don't mind, when you act your age
It suits me fine, that you treat me like a child And I can't deny, when I'm with you that you
Step outside, of all those fears locked up inside Your love is driving me crazy
Your love just takes me away
Your love is driving me crazy
Takes me all the way What I like, is what you've got to offer
Just my type, I don't mind playing on the edge Your love is driving me crazy
Your love just takes me away
Your love is driving me crazy
Takes me all the way, yeah Lead me to forbidden doors
You know I'm yours
Yeah you've got it, yeah I want it
Don't you know it baby Right on time, a tight fit right on the money
So sublime, hot sweet cherries on the vine Your love is driving me crazy
Your love just takes me away
Your love is driving me crazy
Takes me all the way, yeah Your love is driving me crazy
Your love just takes me away
Your love is driving me crazy
Your love just takes me away, oh yeah Your love, your love
Your love just takes me away
