This Is How We Roll

Fifth Harmony

This is how we roll
We stay in the street
And get it all wee 'cause
This is how we roll
We gotta get out
Can't stay in the house 'cause
The party don't end
Every weekend
Turn up, baby, burn up
Again and again
This is how we roll
We rollin', we rollin', we rollin'Everybody in the party
If you came here to party
Better move your body
Damn look at that body
Everybody in here
Put your hands in the air
Wave 'em like you don't care
Let me hear you say 'yeah'This place is jumpin'
We keep it bumpin'
The boys keep watchin'
Wanna leave with something
We makin' it clap
Clap, clap, clap, clap
We don't need hands for that
That, that, that, thatThis is how we roll
We stay in the street
And get it all wee 'cause
This is how we roll
We gotta get out
Can't stay in the house 'cause
The party don't end
Every weekend
Turn up, baby, burn up
Again and again
This is how we roll
We rollin', we rollin', we rollin'Get wild and crazy
If you wanna get crazy
So free, so young

So you can't blame me, yup
Let's get this clear
All the boys over there
Keep lookin' over here
But we don't careThis place is jumpin'
We keep it bumpin'
The boys keep watchin'
Wanna leave with something
We makin' it clap
Clap, clap, clap, clap
We don't need hands for that
That, that, that, thatThis is how we roll
We stay in the street
And get it all wee 'cause
This is how we roll
We gotta get out
Can't stay in the house 'cause
The party don't end
Every weekend
Turn up, baby, burn up
Again and again
This is how we roll
We rollin', we rollin', we rollin'Pull your camera out
'Cause someone's gonna wanna see this
Take a picture, snap it
Aye, post it for the world
'Cause when we goin' out
We run the town
Better believe it
We gon' be sexy, sexy
Me and my girls, girls, girls
This is how we rollThis is how we roll
We stay in the street
And get it all wee 'cause
This is how we roll
We gotta get out
Can't stay in the house 'ause
The party don't end
Every weekend
Turn up, baby, burn up
Again and again
This is how we roll
We rollin', we rollin', we rollin'
