

# Shine On Me

**N. Arnel de Pano**

shine on me and let me see your glory  
shine on me let your spirit fill me  
all the days of my life  
let your spirit shine on me  
shine on me and let me see your glory  
breathe on me then let your spirit move me  
change my life and let me be your shining light for the world to see  
shine on me let me see your glory  
shine on me let your spirit fill me  
all the days of my life, let your spirit shine on me  
shine on me, renew my life completely  
live in me release your power through me  
evermore your servant be  
throughout all the earth your love to see  
shine on me let me see your glory  
shine on me let your spirit fill me  
all the days of my life  
let your spirit shine on me  
shine on me let me see your glory  
shine on me let your spirit fill me  
all the days of my life  
let your spirit shine on me
