It's a New Day

Brian Dolzani

I wanna tell you why but every time I try
To get it off my chest and give my heart a rest

There's a reason for locks upon my door
Call the doctor too yea I'm turning blue

Cause it don't change, stay the same
Fall on me fall on you
When I shake when I wake
I meant to say on anyway it's a new day

You got me thinking wrong that nothing lasts for long
It's only in your head it's in the books you read
If I give you more will you close the door
I am over you I am over you

Cause I can change I'm not the same
as for me, as for you
when I shake when I wake I was saying
oh anyway yea it's a new day

I'm gonna tell you why and give it one more try
Get it off my chest give my heart a rest
