Let Go

Kosheen

I won't forget you, I won't
I won't forget your smile
Or how you taken me
Or how you taken me
I won't forgetI let you walk with me
Ah take me home
Because the night is so dark
When your aloneI let you down, I let you down
I let you go
I let you down, I let you down
I let you goOh, won't you let me be myself
I wanna be myself
I won't forget you
I won't forget youI let you down, I let you down
I let you go
I let you down, I let you down
I let you goI let you down, I let you down
I let you go
I let you down, I let you down
I let you go
