

# Not Me

**Robert Mitchum**

Always waiting for the truth to come out  
I'm caged in your eyes  
And it's making me lie So I'm not everything you wanted me to be  
Sorry, I ever disappointed  
I am not me I lied my way in through your heart  
I feel so ugly  
And it's tearing at me So I'm not everything you wanted me to be  
Sorry, I ever disappointed  
I am not me I am not me  
I am not me  
I am not me I am not me  
So I'm not everything you wanted me to be  
Sorry, I ever disappointed  
I am not me
