From Sarah With Love

Sarah Connor

For so many years we were friends
And yes, I always knew what we could do
But so many tears in the rain
Felt the night you said
That love had come to you
I thought you were not my kind
I thought that I could never feel for you
The passion and love you were feeling
And so you left for someone new
And now that you're far and away
I'm sending a letter today
From Sarah with love
She'd got the lover she is dreaming of
She never found the words to say
But I know that today
She's gonna send her letter to you
From Sarah with love
She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she writes to you
From Sarah with love
So maybe the chance for romance
Is like a train to catch before it's gone
Maybe it's just an illusion to hold behind
The clouds you'll find the sun
But I'll keep on hoping and praying
There will be a day when we meet again
And I'll keep on waiting and dreaming
You're strong enough to understand
As long as you're so far away
I'm sending a letter each day
From Sarah with love
She'd got the lover she is dreaming of

She never found the words to say
But I know that today
She's gonna send her letter to you
From Sarah with love

She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she writes to you
From Sarah with love
From Sarah with love
She'd got the lover she is dreaming of
She never found the words to say
But I know that today
She's gonna send her letter to you
From Sarah with love
She's gotta know what you are thinking of
'Cause every little now and then
And again and again
I know her heart cries out for you
From Sarah with love
She'd got the lover she is dreaming of
Never found the words to say, ahh
But today, but today
From Sarah with love
She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she writes to you
From Sarah with love
And they told her it is true
She could dare to fall in love with you
So don't make me blue when I write to you
From Sarah with love
