

# All The Way

## Cartel

One, two, three, four I see you all the time  
I see you in a video  
Running through my head  
I hear that you're a fiend  
You love and let nobody know where you go Why didn't you come back to me?  
I'll give you whatever you want  
Turn around on the way out  
And you will find  
I needed you all the way  
Now, if you don't mind I never needed anything  
Anything but this tonight  
I needed you to tell me  
What was wrong Why didn't you come back to me?  
I'll give you whatever you want  
Then turn around on the way out  
And you will find  
I needed you all the way  
Now, if you don't mind But this is just like everything  
I told you he would say  
But why wouldn't you just listen?  
So it wouldn't end up this way  
It wouldn't end up this way Now, why didn't you come back to me?  
I'll give you whatever you want  
Turn around and you will find  
I needed you all the way  
Now, if you don't mind Now, say why didn't you come back to me?  
I'll give you whatever you want  
And turn around and you will find  
I needed you all the way  
Now, if you don't mind  
I needed you, I know you needed me
