

The Thanksgiving Song

Adam Sandler

Love to eat turkey
Love to eat turkey
Love to eat turkey
'Cause it's good
Love to east turkey
Like a good boy should
'Cause it's turkey to eat
So good
Turkey for me
Turkey for you
Let's eat the turkey
in my big brown shoe
Love to eat the turkey
At the table
I once saw a movie
With Betty Grable
Eat that turkey
All night long
Fifty million Elvis fans
Can't be wrong
Turkey lurkey doo and
Turkey lurkey dap
I eat that turkey Then I take a nap
Thanksgiving is a special night
Jimmy Walker used to say Dynamite
That's right
Turkey with gravy and cranberry
Can't believe the Mets traded Darryl Strawberry

Turkey for you and
Turkey for me
Can't believe Tyson
Gave that girl V.D.
White meat, dark meat
You just can't lose
I fell off my moped
And I got a bruise
Turkey in the oven
And the buns in the toaster

I'll never take down
My Cheryl Tiegs poster
Wrap the turkey up
In aluminum foil
My brother likes to masturbate
With baby oil
Turkey and sweet potato pie
Sammy Davis Jr.
Only had one eye
Turkey for the girls and
Turkey for the boys
My favorite kind of pants
Are corduroys
Gobble gobble goo and
Gobble gobble gickel
I wish turkey
Only cost a nickel
Oh I love turkey on Thanksgiving
