

Housewife's Prayer

Pistol Annies

I been thinking about settin' my house on fire
Can't see a way out of the mess I'm in and the bills keep gettin' higher
All I need is a match and a gallon of gas
God I'm gettin' tired
Gonna set this house on fire
I been thinking about goin' off the deep end
My man can't get no overtime and the baby ain't been sleepin'

All I need is a washin' machine
These ends is finally meetin'
'Bout to go off of the deep end
Well I been thinkin' about all these pills I'm takin'
I wash 'em down with a nice cold beer and the love I ain't been makin'
Oooh I feel like I'm burnin' up and the words I ain't been sayin'
And all these pills I'm takin'
I been thinkin' about settin' my house on fire
