Kill The King

Liege Lord

Danger, danger Queen's about to kill
There's a stranger, stranger - and life about to spill
Oh no! Move me out of harm
I need a spell and a charm, Fly like the wind
I'm a pawn, so be gone, speed on and onKill the King, tear him down
Kill the King, strike him downTreason, treason the spectre looms again
treason, reason the realm is safe and then
Oh no! Move away from harm
I need a spell and a charm, Fly like the rainbow
I'm a pawn, so be gone, speed on and onKill the King, tear him down
Kill the King, go take his crown down
