Higher Each Day

Written, produced, and performed by  
Lyndon Batiste

Verse 1

Sometimes life deals you a blow that you cannot take  
And no matter how loud you scream it just won't go away  
But you've gotta keep your head up, keep your eyes upon the goal  
Don't let nothing in life take from you the dream that is yours

Chorus

Though sometimes I feel like crying  
Though sometimes I feel like dying  
I believe, that I'm going to see another day  
Leaving all my past behind me  
Lord I've got to keep on trying  
To Go Higher Each Day

Verse 2

Every scar has a story that you can tell  
But it's up to you whether or not you'll prevail  
But you've gotta choose to win  
Don't take less than you deserve  
Stay committed to the dream in your heart  
And life will open doors.

Chorus

Though sometimes I feel like crying  
Though sometimes I feel like dying  
I believe, that I'm going to see another day  
Leaving all my past behind me  
Lord I've got to keep on trying  
To Go Higher Each Day

Spoken:

Sometimes in life  
We can't explain why things happen  
But we have to choose to win  
We have to choose to overcome

We have to choose to be victorious

Youâ€™ve gotta Believe it! Go Higher and Higher  
Youâ€™ve gotta believe in yourself, Go Higher and Higher
