

Yellowman (Ã† Mix)

Aeon Spoke

His eyes are closed his face pale asleep
On the ground a newspaper reads
The blood has spilled again
And you just dream my yellowman
Yellowman

The angels burn a torch to keep us warmHis lungs are wide awake but he won't breathe
He spits out the ocean and we dream
Like goldfish in a bowl
They think we're free
Yellowman

You're tying rocks to clouds to stay above the crowds
The angels burn a torch to keep us warmthe blood has spilled againand you just dream
Yellowman

You never see the bloodstains on the battlefield
The angels burn a torch to keep us warm
