

# Rainstorms In My Knees

## Agnostic Mountain Gospel Choir

I've been losing the leaves in my tree  
I look in the mirror and it ain't me  
I've been feeling rainstorms in my knees  
I've been feeling rainstorms in my knees

I've been breathing out all a moan  
I've been feeling my creed back home  
Poor old me and my poor old bones  
Poor old me and my poor old bones

I've been losing the leaves in my tree  
I look in the mirror and it ain't me  
I've been feeling rainstorms in my knees  
I've been feeling rainstorms in my knees
