

Father (feat. Didem) [2K17]

NANA

Father hold father. I know, he hasn't been easy
To be there for me. Hold my father, hold father. I know, he hasn't
been easy, But you will stay in my mind always.

Fasted for the boys, I was stays to playground. We find this left on the merry go round. Think about
coursiers who's the king with the crown. Let me do everything to perfect going down.

Our nature Boys must be boys And I earn with stage of life you got to make a choice. We got to work. We got to
work hardly. Found different base Would the same cards It ain't easy, ain't easy be your man To find the right
woman who cares and understands. The defraud do keep my words in your mind. Love is got to give And you can
change your while. To be your favour, Think about your life. We do the right thing at the right place in time. Half
passions exactly what we need. I'm blessed to be your father, answer dead yes or die.

Father hold father. I know, he hasn't been easy
To be there for me. Hold my father, hold father. I know, he hasn't
been easy, But you will stay in my mind always.

I'm sorry found didn't mean to make you cry. My dad also left and I still don't no why. I missed my daddy, he
was strong older was. I wonder if I see him in a feast daddy was love. I wanna thank, I'll pray to heaven
father. But touch you for my family, my sister and two brothers. All we need is a food and a shelter. Keep it going
on, and any can forever. Another family's bled drift the point. How many man have a since sleeping in the
dark. God never knows, Everybody has a storrry The most man's smile even do station have to worry. We got to
keep on. We got a good reason, if a step for yourself at least the kid too need to feelin'. I'm very proud to be the
man that I am. Thank you mum and dad, I do the best that I care.

You did all your good It wasn't enough. I did understand, Why you were gone. Now I'm a father of my own, And
I'm tryin' my best.

I need and understand your love. Why did you go? Why did you leave a sorrow love?

Father hold father. I know, he hasn't been easy
To be there for me. Hold my father, hold father. I know, he hasn't
been easy, But you will stay in my mind always.
