

# Love Me Anyway

[Ginny Blackmore](#)

Chorus

I don't always know just what to say  
And I'm not a master at playing these love games  
Imperfect person is my real name  
It's nice to meet you could you love me anywayVerse  
Lyin' awake thinking about the morning lights  
Will you rise to kiss my face or will you pick a fight  
Sometimes though you smile, the question is in your eyes  
How its just surviving or baby can we thriveChorus  
I don't always know just what to say  
And I'm not a master at playing these love games  
Imperfect person is my real name  
It's nice to meet you could you love me anywayVerse  
My hearts still alive talking to you and no one else  
And I knew I was right to let you in my heart and hands  
Sometimes though you smile, the question is in your eyes  
How its just surviving or baby can we thriveChorusI don't always know just what to say  
And I'm not a master at playing these love games  
Imperfect person is my real name  
It's nice to meet you could you love me anyway
