

# A Stranger

## A Perfect Circle

Advisory - the following lyrics contain explicit language:

Cast the calming apple  
Up and over satellites  
To draw out the timid wild one  
To convince you it's alright  
And I listen for the whisper  
Of your sweet insanity while I formulate  
Denials of your affect on me You're a stranger  
So what do I care  
You vanish today  
Not the first time I hear  
All the lies What am I to do with all this silence  
Shy away, shy away phantom  
Run away terrified child  
Won't you move away you you fuckin tornado  
I'm better off without you  
Tearing my will down
