

# Burn (feat. Wrenn)

## Auram

Set me on fire  
If I burn, you burn with me

You got me so fucked up  
Feels like you're watching me  
Thought you'd be haunting  
But it's her that's haunting me

Is this what you want  
Settin' me on fire  
Thought I loved you right  
But this is what you inspire  
And you were right when you told me  
You've got a lot to prove  
May not be watching close  
But I'm watching you

Now I got ammunition baby don't even wanna think about what I could do  
One more bad decision baby, I'm gonna load up this gun and fire at you

Set me on fire  
I don't accept defeat  
Set me on fire  
If I burn, you burn with me

Do you give up yet?  
Oh darlin', you're so weak  
Tellin' me your fears  
They don't  
They don't feel me»;

Now I got ammunition baby don't even wanna think about what I could do  
One more bad decision baby, I'm gonna load up this gun and fire at you

Set me on fire baby (on fire)  
Set me on fire baby (I don't)  
Set me on fire baby  
Set me on fire  
If I burn, you burn with me  
You burn with me
