

# Wait For Me

## Theory of a Deadman

You are not alone tonight  
Imagine me there by your side  
It's so hard to be here so far away from you  
I'm counting the days till I'm finally done  
I'm counting them down, yeah, one by one  
It feels like forever till I return to you But it helps me on those lonely nights  
It's that one thing that keeps me alive  
Knowing that you wait for me  
Ever so patiently No one else knows the feeling inside  
We hang up the phone without saying goodnight  
Because it's the sound of your voice that brings me home It's never been easy to say  
But easier when I've gone away  
Knowing that you wait for me  
Ever so patiently Yeah, you're everything I've ever dreamed of having and  
It's everything I need from you just knowing that you wait for me What I'd give  
What I'd do  
Knowing I'm not there for you  
Makes it so hard to leave What I'd give  
What I'd do  
Anything to get me home to you  
And this time I'll stay And you wait for me  
Ever so patiently Yeah, you're everything I've ever dreamed of having and  
It's everything I need from you just knowing that you wait for me
