

# The Loveless

## Alabama Kids

Yeah, I know she's waitin' for me, yeah  
Outside of society  
I know she's sailin' for me, baby  
Ran out of society, yeah dance with me  
I said hear me, hear me, I got to confess  
I'm one of the love, love, loveless  
I know you're hungry for me, love me  
Outside of society, yeah  
I know you're hungry for me, believe me baby  
Out of rhyme and subtlety, yeah  
I said hear me, hear me, I got to confess  
That I'm one of the love, love, loveless  
I know you got to hear me, hear me, I got to confess  
I'm one of the love, love, loveless, oh yeah  
Yeah, hopelessly we look into the barrel of the gun  
We gotta pull ourselves together and make a plan, oh yeah  
No control mama, one of the loveless baby, rockin' tonight  
Yeah, oh yeah, yeah  
Drunk an' stupid an' naked, yeah  
Love me, outside of society  
Rancid singin' lonely, believe me baby  
Drunken on sobriety  
I said, well hear me, hear me, I got to confess  
I'm one of the love, love, loveless  
I said hear me, hear me, I got to confess  
That I'm one of the love, love, loveless  
Oh yeah, love, loveless, no control mama  
Waitin' to be swept away in your cold black storm
