

Deeper Than The Ocean

Future

scooter
the coolest dj in the world
G for Global
yea we global now
forever
i put spikes around my jacket
and I'm strapped up with a ratchet
I'm chasing after paper
i became a savage
a nigger set my nigger up
the game is full of madness
Sometimes I wanna get inside that Escalade and crash it
my pain running deeper than the ocean (it is)
my pain running deeper than the ocean (no tears)
my pain running deeper than the ocean (I can take it)
pain running deeper than the ocean
leather jackets
no motorcycle
i'm spiked up like a bad drink
9 to 3
that good supreme
where all the scissile
boy guillotine
i work hard and it came out
I turnt up
turn the bitch off
then i went from dead broke
to laying up in a penthouse
there are no secret
when you leaking
i woke up the evening
and i seen a demon
i'm on that rare codeine
trying to clear my thoughts
nigger mown for my pain
all they see is fame
and what it bring
i paid dues
graduated from finesse schools

i showed improvements
i never lose
i'm too smart
i should have went to Harvard
drinking out the bottle
holding maseratti

i put spikes around my jacket
and I'm strapped up with a ratchet
I'm chasing after paper
i became a savage
a nigger set my nigger up
and game is full of madness

Sometimes I wanna get inside that Escalade and crash it
my pain running deeper than the ocean (it is)
my pain running deeper than the ocean (no tears)
my pain running deeper than the ocean (I can take it)
pain running deeper than the ocean
Taking three drugs at one time
take em one time
can you niggas stop hating on future
for one time

I commit a million crimes
that ain't enough for you
I'ma sing a million rhyme
all the shit i've been through
I was grinding hard
niggers trying to hold me back
they didn't wanna see me with the plug
they didn't wanna see me with the sack

i got it though
it worked out
i kept it loyal
I set standards
and now I'm royal
niggers try to taste the paper
then you got to take his life
till we get straightning
i can't sleep right
nigga put a hit on ya head
now you walking around with a price
million ain't way what you see
I put spikes around my jacket
and I'm strapped up with a ratchet
I'm chasing after paper

i became a savage
a nigger set my nigger up
and game is full of madness
Sometimes I wanna get inside that Escalade and crash it
my pain running deeper than the ocean (it is)
my pain running deeper than the ocean (no tears)
my pain running deeper than the ocean (I can take it)
pain running deeper than the ocean
