## The Meads of Asphodel

I have witnessed your death  
I've seen it many times  
Your tortured screams  
Your decrypted little mind  
A father's son  
With pathetic eyes that bleed  
Twins in the end  
Begin and let the brothers fall  
I will see you buried alive  
Screaming for your God  
I will watch you die again for him  
God won't touch what I've done  
He cries upon my feet  
A privilege pain  
Beneath buried are your dead  
On splintered bones, I walk  
Shifting through the blood  
Besieged in fear  
Await the coming of the God  
I will watch you die again for him  
Blood is raining downward  
The stain reflects the sun  
Conquer divide within  
Terrorize the mind  
I have seen the end, it's yours  
Rosary in hand  
Your selfish flesh, it melts  
Spilling from the sky  
I will see you burn alive  
Screaming for your God  
I will watch you die  
This is God's war  
God's war  
This is God's war  
  
God's war  
War of holy principles  
I'm seeking God's help in your destruction  
Slit the throat of heathen man

And let his blood dilute the water  
Bury your dead  
Fuck your God, erase His name  
A lady weeps insane with sorrow  
I'll take his towers from the world  
You're fucking raped upon your deathbed  
This is God's war  
God's war  
This is God's war  
God's war  
Fucking holy war  
Be optimistic, happy and calm  
Show no fear or anxiety  
Smile at the face of God  
And your reward will be eternity  
Holy warriors  
Your patience will be justified  
Everything is for Him  
You must not comfort the animal  
Before you kill it  
Strike as champions  
At the heart of the nonbelievers  
Strike above the neck  
And at all extremities  
For it's a point of no return  
For Almighty God, God will give victory  
To His faithful servant  
When you reach ground zero  
You will have killed the enemy  
The great Satan
