

# Wild World

## Absolute Reggae

La, la, la, la, la, la  
Now that I've lost everythin' to you  
You say you wanna start somethin' new  
And it's breakin' my heart you're leavin'  
    Baby, I'm grievin'  
    But if you wanna leave, take good care  
    Hope you have a lot of nice things to wear  
    But then a lot of nice things turn bad out there  
        Oh baby, baby, it's a wild world  
        It's hard to get by just upon a smile  
        Oh baby, baby, it's a wild world  
    And I'll always remember you like a child, girl  
    You know I've seen a lot of what the world can do  
        And it's breakin' my heart in two  
        Because I never wanna see you sad, girl  
            Don't be a bad girl  
        But if you wanna leave, take good care  
        Hope you make a lot of nice friends out there  
    But just remember there's a lot of bad and beware  
        Oh baby, baby, it's a wild world  
        It's hard to get by just upon a smile  
        Oh baby, baby, it's a wild world  
    And I'll always remember you like a child, girl  
        La, la, la, la, la, la  
        Baby, I love you  
        But if you wanna leave, take good care  
        Hope you make a lot of nice friends out there  
    But just remember there's a lot of bad and beware  
        Oh baby, baby, it's a wild world  
        It's hard to get by just upon a smile  
        Oh baby, baby, it's a wild world  
    And I'll always remember you like a child, girl  
        Oh baby, baby, it's a wild world  
        It's hard to get by just upon a smile  
        Oh baby, baby, it's a wild world  
    And I'll always remember you like a child, girl
