

Don't You Forget About Me

Simple Minds

Hey, hey, hey, hey
Ooh, oh Won't you come see about me?
I'll be alone, dancing, you know it baby
Tell me your troubles and doubts
Giving me everything inside and out And love's strange so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart, baby Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me Will you stand above me?
Look my way, never love me
Rain keeps falling, rain keeps falling
Down, down, down Will you recognize me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down, down Hey, hey, hey, hey
Ooh, oh Don't you try to pretend
It's my feeling, we'll win in the end
I won't harm you or touch your defenses
Vanity and security Don't you forget about me
I'll be alone, dancing, you know it baby
Going to take you apart
I'll put us back together at heart, baby Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me As you walk on by
Will you call my name?
As you walk on by
Will you call my name?
When you walk away Or will you walk away?
Will you walk on by?
Come on, call my name
Will you call my name? I say, la la la
When you walk on by
And you call my name
