

# Im Sorry

Christina Milian

I'm So Sorry Boy we've been cool for so long now

Tell me why would you  
Just up and throw that away  
You're makin' a mistake  
Thinkin' that we would be lovers  
But I don't look at you that way  
I'm sorry I gotta go away  
'Cause I didn't mean to lead you on  
You say I broke your heart  
But I didn't mean to lead you on  
And it's hard to hear the truth  
And I'm feelin' bad 'cause you love me  
I'm sorry You've got a wife and a family  
And if I was you

I wouldn't throw that away  
I'm not the type of girl to  
Break up a happy home  
I really thought we could be friends  
But it seems that  
I gotta go I gotta go away  
'Cause I didn't mean to lead you on  
You say I broke your heart  
But I didn't mean to lead you on  
And it's hard to hear the truth  
And I'm feelin' bad 'cause you love me  
I'm sorry I gotta go away  
'Cause I didn't mean to lead you on  
You say I broke your heart  
But I didn't mean to lead you on  
And it's hard to hear the truth  
And I'm feelin' bad 'cause you love me  
I'm sorry What did I do?  
Tell me what did I do?  
I didn't try to  
I didn't wanna hurt you What did I do?  
Tell me what did I do?  
I didn't try to  
I didn't wanna hurt you I gotta go away  
'Cause I didn't mean to lead you on

You say I broke your heart  
But I didn't mean to lead you on  
And it's hard to hear the truth  
And I'm feelin' bad 'cause you love me  
I'm sorry
